

Give Your Child A Chance To Be Unique

Experts agree that a child's personality doesn't fully form until they are in elementary school.

Find Out How We Help Students

authentic 'voice and choice' matter and a big part of this is leaving 'room for interpretation' in the assignment. Those gray areas can confuse students unaccustomed to agency and choice, but once they become comfortable with it, it can be a significant factor in helping them show what their 'best' actually is.
